## Skills

- **Technologies:** React.js, Redux, Bootstrap, Tailwind CSS, JSX, JSON, HTML, CSS, JavaScript, VS Code, Git, npm, Vite, GitHub
- 

## Training Experience

### Almabetter

Web Development Trainee

Remote

May 2023 – May 2024

- Gained expertise in **frontend programming** using **React**.
  - Proficient in creating **dynamic** and **responsive** user interfaces.
  - Utilized **Redux** for effective state management in complex applications.
  - Employed **Material-UI** and **Tailwind CSS** for modern and visually appealing designs.
- 

## Projects

### QuickBite - Food Ordering App

 | 

- Developed a responsive food ordering application using **ReactJS**, **TailwindCSS**, and **Redux Toolkit**, optimized for mobile and desktop.
- Implemented dynamic data handling for real-time updates and added a **cart functionality** for item management, including quantity updates and total price calculation.
- Integrated **search functionality** for filtering food items by category, enhancing navigation and user experience.
- Utilized **Redux** for efficient state management, ensuring smooth data flow and consistent performance.

### Crypto Price Tracking App

 | 

- Developed a web app using **React** for a fast and responsive user experience.
- Integrated the **CoinGecko API** for real-time cryptocurrency data.
- Implemented **React Router** for smooth navigation between pages.
- Utilized **Redux** for efficient state management across the application.

### Resume Builder

 | 

- Designed dynamic forms with **React Hook Form** for user input validation.
  - Integrated **Jspdf** for generating downloadable resumes in PDF format.
  - Employed **React-Redux** for effective state management throughout the app.
  - Utilized **Material UI** for a modern and responsive user interface design.
- 

## Apprenticeship

### CCL

Site Engineer - Trainee

Ramghar, Jharkhand

February 2022 – February 2023

- **Estimated project costs and timelines**, ensuring accurate budgeting and scheduling.
  - **Executed engineering plans** by engaging in site engineering activities and supporting on-site tasks.
  - **Contributed to project planning**, aiding in schedule development and resource allocation.
  - **Drafted technical documents and blueprints**, ensuring detailed design and precise documentation.
- 

## Education

Guru Gobind Singh Educational Society's Technical Campus

B.Tech in Civil Engineering

Bokaro, Jharkhand

August 2017 - August 2021
